SKILLS

UI & UX

Figma
Adobe XD
PS

FRONT-END

HTML/CSS
JavaScript
Next JS
Bootstrap

BACK-END

PHP
MySQL
Python

EXPERIENCE

01. LockScreen – IPU

This is my first project to make UI together with the team using figma,.

We worked on this project for one week, and from this project I learned about team work, time management because at that time
I was still in college.
